

01 November, 2015

Dear Wood River Valley Irrigation District #45 Member (WRVID#45),

RE: Update of the WRVID#45

The WRVID#45 has had a significant 2015 year. Now that the partition is confirmed and fully in effect we are not only our own surface irrigation district, but mutually bound with the Triangle Irrigation District (TID) with the operations and maintenance of 'Joint Work Assets' that both districts use. The management of those assets is done with a Board Of Control (BOC).*

We have had changes with two division seats for members of the Board of Directors of WRVID#45 and have also appointed two directors to the BOC. Additionally we have a new Secretary and Treasurer. We are currently looking for a new meeting place for our monthly meetings. The WRVID#45 Board of Directors meet monthly on the second Tuesday with meetings typically starting at 6:30 p.m.*

Our website is an active one stop location where you can remain current with meeting agendas, meeting minutes, budget(s)- the WRVID#45 and the BOC budgets and Special Projects Items Summary, General Information Packet that describes the many attributes of the district and how an irrigation district operates, as well as a Decree Book document outlining your water rights and the annual assessment billing formulas. It is these resources that will inform you of the operations of this district and show the "Due Diligence" that the Executive Committee performs in your best interest. We encourage you to visit our website where by November 15th we will have ALL of the resources noted above posted on the website for your downloading.

The Executive Committee is proud of the work performed in 2015, our high level of accountability and transparency for actions taken and look forward to another successful irrigation season in 2016. Feel free to contact any divisions director directly, attend our monthly meetings or send an email to: wrvirrigation45@gmail.com with any questions, concerns or accolades that you may have.

Sincerely,

WRVID#45 Executive Committee.

** Note: these items noted with an asterisk have downloadable resources on the WRVID#45 website.*
