Review, Approval and signing of bills - Jim White met with Board members Wilson and Super prior to meeting to sign all checks. No new checks were presented at meeting.

Status of Assessments – Bookkeeper sent a financial report via e-mail to the board on Friday, Dec. 7th. This report should report 'Who has sent payment of Assessment at this current time.' Two billings still in question are Silver Spring Ranch (O'Gara), and One parcel under John Fell Stevenson. Director Gardner explained that Silver Spring Ranch is owned by Tom O'Gara and invoice should be sent to Mr. O'Gara.

The district assigns a number to each parcel of land; # stays the same for property only the name changes with transfer of ownership.

Old Stricker property (Dean Ranch Subdivision, Lots 4, 5 & 6) has been replated. This leaves the #'s for the original three lots to be reassigned to the new lots. Vince Richards owns two lots of the new plated Stricker property. The bank owns the front lot. The bank has been asking the WRVID #45 to separate the invoices, so everyone is billed properly.

Directors Super & Gardner need answers to the following items.

- *Clarification from Stacie on what the "Note Payable" line item is.
- *Request to receive list of Assessment payments for each meeting.
- *What has been the practice for depositing checks?

Kristie Sutton has paid her past due assessment along with 1/2 of her current assessment, but her check has not cleared the bank. She asked Director Gardner to follow up and see if this check has been deposited.

- *The Board will ask Stacie if it is possible to make deposits once a week, write checks twice a month.
